Construction of "Chamaraja memorial Hall" at Shimoga

Ordered.

6 In Govt Proc. no. 7279-81 L.7.23-98 dated the 14th December 1898 the Municipal Board of Shimoga and the District Board of the Shimoga Circle were each authorized to contribute towards the cost of construction of Town Hall at Shimoga a sum equal to one-half of the amount which might be raised by public subscriptions, provided that such contribution did not exceed a maximum of Rs 5000/- and

+Flag B

a G.P. no. +11981-2 L.7.33-98 dated the 22nd April 1899 it was observed that of Rs 5000/- had been raised by i.e. actually collected from private subscriptions Rs 2500/- from Municipal Funds of Shimoga and another like sum from

Destitute Famine might be drawn and paid as suggested by the Dy: Commissioner, and that the Govt order of the 14th December 1849 referred to above did not contemplate subscriptions merely promised and not raised or collected.

7 With reference to that order, the Dy: Commissioner now submits a copy of the Memo drawn up by the Executive Engineer regarding the Memorial Hall and applies for a grant of Rs 5000/- from Provincial Funds under the following Circumstances:-

* Letter No. 560/573 Dy 14th April 52

8 It has been decided although the foundations for the Whole Structure had been laid owing to paucity of funds to confine operations, at present, to completing the main Hall, side and front

Verandahs and two rooms in front. This proposal involves an expenditure of Rs 24,448. The details of receipts and arrangements on account of the work is given as follows:-

		Rs
(1)	Subscriptions already collected	8082
(2)	Contribution paid from Munl & Distt. Funds	5000
	Total	13082
(3)	Further subscriptions expected	4000
(4)	The balance of Contribution from Distt. Funds	2500
		Rs 19,582

Amount already spent — Rs 12448-5-11.

Hence Rs 4866/- (24,448 - 19582) is still required, and is applied for as a grant from State Funds In this account, the Municipal

Contribution of Rs 2500/- is omitted.
The Dy: Commissioner states that
the Municipal Board of Shimoga
are unable to fulfill their
promise to contribute another
2500/- in their present financial
condition, and especially when
it is under contemplation to
seek Government help to carry
out drainage and other im-
provement schemes. The Dy:
Commissioner requests that
the grant be sanctioned included in
the current years Civil Budget
and made payable soon after
the 1st July 1904.

It is a pity that so costly a building was undertaken without making sure that the funds required for its early completion would be readily forthcoming. The D.P. Board cannot contribute more than 5 thousand Rs & the Municipal Board more than Rs 2500. Private subscriptions seem to have turned out very disappointing. Under these circumstances, a work ~~of this~~ of Charles's noble & highly laudable object must unfortunately have to be abandoned if Govt. help is refused. Place this before the Dewan for favorable consideration.

To

Secretary to the Government
General Revenue Dept.

Sir

I have the honour to invite reference to Proceedings of Government No. 7279-80 dated 14th December 1898 regarding the construction of the Sharavati memorial Hall in the Town of Shimoga.

2. I beg to submit for the information of Government copy of a memo drawn up by the Executive Engineer regarding this work, showing the matters stand at present. It will be seen that it has been decided

to confine operations to completing the main Hall side and front verandahs and two rooms in front. The estimated cost of all this comes up to Rs 24448 Rs 12448 has already been spent on works done up to date and the remaining portion of the work has to be done.

Towards this the following sums have been realized

Subscriptions collected.	8082
Contributions paid by the Local Fund and Municipal Boards	5000
Total	13082

3. A further sum of Rupees 2500 will be paid by the Local Fund Board as soon as the realizations from subscriptions reach the figure of 10000 Rs. Thus a total sum of 15582 is available for expenditure. Attempts are being made to raise further subscriptions and there are sanguine hopes of a sum of 4000 Rupees being thus

realized. But the sum wanted for the completion of the building is Rs. 24448 — 15582 = Rs. 8866. Deducting from this the 4000 Rs that is expected to be realized by subscriptions, 4866 remain still to be provided for. The municipal Board of Shimoga promised to pay 5000 Rupees. and have still to pay 2500, when the subscriptions realized run up to 12000 Rupees. But in its present financial condition that body is unable to fulfil the promise given more especially as this the one because it is under consideration to seek the help of Government to carry out drainage and other improvement schemes in the town for which the present revenue is found to be utterly inadequate. There is therefore no other alternative left but to solicit a grant of 5000 Rupees for the

work from Provincial Funds
and I beg Government will
be pleased to sanction it. The
amount may be included in
next years Budget and made
payable soon after the 1st July
next

I have the honor to be

Memorandum on Chamaraj Memorial Hall Shimoga.

The foundation stone of this building, which the inhabitants of Shimoga District intended to raise in memory of the late Illustrious Maharaja was laid by His Highness' August son, the present Maharaja Sri Krishna Raja Wadiar Bahadur in November 1898.

The estimated cost of the structure as originally designed came to Rupees 32,000/-

Subscriptions for the building were at once commenced, but owing to the fact that the inhabitants were called upon to subscribe for several laudable undertakings at the same time the amount collected did not come up to the sum

Municipal and Local
Funds quota. The total
amount collected is Rupees
13082-5-2 of this, a sum of
Rupees 12448-5-11 has been
spent for the works which
are in a state of non-comple-
tion

To make the structure
worthy of the object, it is
necessary to complete the
front two rooms and side
verandahs in addition to
the Hall and basement rooms.

The total cost of these
works still to be done a
mounts to Rupees 12000.

Of this Rupees 4500 is
expected to be realized by the
Subscriptions bringing
total amount of subscrip-
tions to Rs 12500. The sum
to be allotted out of Mu-
nicipal and Local Fund
